

# **Water / Wastewater Operator**

**Genesee Water and Sanitation District**  
**2310 Bitterroot Lane, Golden, CO 80401**

Do you take pride in keeping water flowing, systems running, and communities healthy? Genesee Water and Sanitation District is looking for an experienced Water/Wastewater Operator who knows their craft and enjoys being part of a close-knit, mission-driven team.

If you like meaningful work, mountain views, and being trusted to do the job right—we'd love to talk to you.

## **What You'll Be Doing**

- Operating and maintaining the water and wastewater treatment facilities
- Monitoring systems, collecting samples, and keeping things in regulatory compliance
- Maintaining the distribution and collection systems
- Troubleshooting issues before they become problems
- Supporting emergency response and on-call rotations
- Maintain, inspect, troubleshoot, and perform maintenance/repairs of equipment

## **What We're Looking For**

- **Colorado Water and/or Wastewater Operator Certification – Class C or higher**
- Solid hands-on experience in water and/or wastewater operations
- Strong mechanical and problem-solving skills
- A team player who takes ownership and pride in their work
- Valid Colorado driver's license
- Willingness to participate in on-call duties

## **Bonus Points If You Have**

- Higher-level certifications (B/A in Water and/or Wastewater Treatment)
- Experience in small or mountain systems
- SCADA familiarity

## **What We Offer**

- **Hourly pay range: \$27.00 – \$45.00 per hour**, based on experience and certification level
- Great benefits package (health, retirement, PTO, holidays)
- Support for training and higher certifications
- The chance to make a real difference in the community—every single day
